

Skinfit guarantees a post-delivery option for individual pieces as well for the duration of at least two more seasons under the same conditions (25% discount from the list price according to the current Skinfit catalogue). If a selected item is replaced by Skinfit in the following season by subsequent model, this agreement will be applicable to the current model as well.

## Mutual rights

Skinfit has the right to indicate itself as the (official) partner of the Team and may use the name of the Team for advertising purposes in connection with this cooperation (e.g. in Skinfit advertising media, such as catalogues, websites, etc.). Skinfit is also authorized to use the image of one or more team members. The photos will be either provided by the Team or can be taken by Skinfit. The Team assures in this case that the photographs it provides or those taken by Skinfit can be used for advertising purposes, including all (electronic and non-electronic) media, particularly in Skinfit advertising media, such as catalogues, websites, etc. The Team will indemnify Skinfit and keep it free from all possible claims by the team members, in case a team member does not permit this usage and makes claims from Skinfit.

## Duration of Contract

This contract comes into force with the signatures below and is being concluded for an indefinite period.

When all contractual points are properly adhered to, then Skinfit will waive its right to terminate the contract. The Team, however, has the right to terminate the contract at any time after a four week notice period.

## Final Clauses

For the delivery and order of the said item by the Team, the general Skinfit terms and conditions are applicable in their currently valid version. The applicable version is known to the Team. The current versions can be seen in the current Skinfit catalogues and can also be downloaded from the Skinfit website. The place of fulfillment and jurisdiction for all disputes is the court responsible for Hohenems. German law is applicable with the exception of the reference provisions or the United Nations Convention on Contracts for the International Sale of Goods.

In all cases, older agreements with the Team are herewith mutually made void. There are no verbal additional agreements.
